

**Year 7 Catch-up Premium Grant Impact and Evaluation Report
Academic Year 2017-2018**

Funding is allocated to schools on the basis that they receive the same overall amount of year 7 catch-up premium they received in 2016-17. It will be adjusted to reflect the percentage change in the size of the Y7 cohort, based on the October census.

Amount of Year 7 Catch-up Premium Grant Received 2016-17	
Total Year 7 Catch up Funding Grant	£5373

Catch-up Premium Grant was used in the year 2016/2017 for the following:

- To accelerate pupil progress and close the gap by providing intensive literacy and numeracy support.
- To raise the attainment of those students entitled to Catch-up premium.
- To enhance existing provision.
- To utilise an extensive diagnostic testing programme to help identify concerns and target interventions to support progress.
- To assess, plan, implement and review all interventions to ensure all interventions have a positive impact on pupil progress.
- To raise self- esteem and aspirations of students entitled to Catch-up premium.
- To ensure parents are involved and informed of their child's progress at regular intervals throughout the year, as and when appropriate.

How Catch-up Premium Grant was spent in the year 2016-17

- Small group classes – intensive interventions with low student to teacher ratio class sizes.
- Additional Specialist Literacy and Numeracy provision – delivered through the Learning Support Department.
- Training for specialised Literacy and Numeracy additional support.
- Homework club – staffed homework clubs available giving small group specialised support.
- Pastoral support – via the Academy's pastoral system and through the Pastoral Leaders.
- 1:1 Literacy and Numeracy interventions.
- Literacy resources: Ruth Miskin, Catch Up Literacy, Rainbow Reading.
- Extra literacy lessons every week – two hours per week additional literacy interventions provided through the Learning Support Department, delivered by the SENCo.
- Handwriting interventions – for vulnerable students whose attainment may be affected due to illegible work.
- Outreach support to feeder primaries- SENCo.
- The SENCo tutored an additional tutor group for the target group of pupils.

Impact 2016-17		
<ul style="list-style-type: none"> • Having followed the Ruth Miskin program and assessments from this, by Christmas 2016, all pupils in the target group (accessing an additional 2 hours per week in literacy, with the SENCo) had progressed to a level where they could access mainstream lessons. • In Maths, on entry 34/62 pupils with a score, were working below age related. By May 2017 this had reduced to 23/62 working below age related, a reduction of 18%. • SENCo used question level analysis to track pupil progress and respond to learning gaps in order to boost progress made by the target group (see table below). 		
Skill	Number of pupils at national level- base line.	Number of pupils at national level following intervention.
Word Context	10/25	21/25
Retrieve and Record	0/25	22/25
Summarise	1/25	16/25
Identify and explain	10/25	16/25
<ul style="list-style-type: none"> • By April 2016, 12 of the 25 students were in line with or above average in reading and no longer needed reading interventions. 		

Implications for this allocation of Year 7 Catch-up Premium Grant
<p>Serlby Park Academy is committed to raising the attainment of ALL students and has a particular focus on disadvantaged students inclusive of those in receipt of Catch Up Funding.</p> <p>Additional literacy lessons have been introduced for those pupils who did not reach the expected level at the end of key stage two, these are delivered by the SENCo for 2 hours per week, during</p>

normal curriculum time. This support has been continued into Y8 pupils, who were in receipt of 2015-16 catch-up premium.

1:1 peer reading takes place each morning, during tutor time, for Y7 pupils in the identified target group. This support is also accessed by Y8 pupils, who were in receipt of 2015-16 catch-up premium.

Small group class sizes led by subject specialists for Maths and Literacy have been set up to maximise progress.

The introduction of a new mastery curriculum in Maths is ensuring that delivery focuses on deepening understanding and procedural fluency to accelerate pupil progress and close the gap between those in receipt of catch-up funding and those who are not.

Small group lessons focusing on key numeracy skills and processes are led by the Maths department.

'Literacy Volunteers' to provide weekly 1:1 literacy interventions which are tailored to meet the specific needs of the individuals.
