Dear Parent/Carer

I would like to invite you to the Serlby Park Academy Post 16 Open Evening. This will take place on 7th December and will run as a 'drop-in' event between 5pm and 7pm.

This is a very exciting time for our Sixth Form after a summer when we saw a record number of our students going to University. We believe that every student matters and, to this end, we gear what we do to meeting the needs of every individual. We are able to offer a wide range of advanced courses, small class sizes, individual mentoring and private study support. We offer a full range of qualifications including A levels as well as vocational courses. Our Open Evening is an excellent opportunity to find out about the wide range of both academic and vocational subject courses as well as other opportunities within the Pre-apprenticeship programme that are on offer within the Academy's Sixth Form. You will also have the opportunity to take a tour of our new building and see our amazing new facilities.

The evening will provide an opportunity for both students and parents to speak to staff about the courses on offer and to gain an insight into our Sixth Form. You will be provided with a Sixth Form prospectus and application form on the evening. The documents are also available to view on line at www.csix.org.uk.

Please return the reply slip to me by Monday 5th December, indicating whether or not you would like to reserve a place at this event.

If you have any questions about this at all please do not hesitate to contact me at the Academy. Thank you for your support and we look forward to meeting you on the day.

Yours faithfully

Karen Bromilow
