Dear Parent/Guardian,

YEAR 11 AFTER SCHOOL STUDY PROGRAMME

As the academic year for our Year 11 is now in full swing and final pieces of coursework are now underway, we hope you will encourage your child to access the many revision sessions provided after school. Here is the timetable for the after school booster sessions taking place this half term. It would be of great benefit to your child if they could attend as many sessions as possible. The sessions will start at 2.30pm and finish at 3.30pm.

We hope that you will see our After School Study Programme as a benefit to your child and that you will support us and encourage them to attend all sessions appropriate to them. Please discuss the revision programme with your child and ensure they attend these sessions; they will achieve more.

If you require any further clarification or advice please do not hesitate to contact me in school.

Yours faithfully,

Mrs K Bromilow

Head of Year 11
