Dear Parent / Carer,

YEAR 11 EASTER SCHOOL 2017

In order to ensure that your child maximises their potential during the forthcoming exams and to help maintain your child's focus over the two week Easter period, we are holding revision sessions for groups of students during the first week of the holiday. Individual subject teachers will explain to your child about the nature of the sessions.

I know and trust that as always, you will be supportive of both your child and the school by positively encouraging attendance to this event. This could really make a difference to their final outcomes. I am sure you understand that every extra minute spent with a specialist teacher at this stage is vital. Attending these sessions, as well as after school revision sessions, will have a positive impact on your child's GCSE grades.

Below is an overview of the revision sessions taking place.

May I take this opportunity to thank you for your support to date and your continued support over the next three months.

Yours faithfully,

Mrs K Bromilow
