Rationale:	<p>In 2017/2018 Serlby Park Academy will receive the fifth year instalment of PE Funding. The funding will be used in a variety of ways to further improve and develop teaching and learning across the Primary academy. We will encourage pupils to continue to lead healthy lifestyles, enjoy PE and Sport and experience high quality teaching. They will be encouraged to take part in competitions and aim for sporting excellence. A Specialist PE teacher leads PE curriculum and oversees the planning and delivery of PE throughout the Primary phase.</p> <p>We expect this additional funding to have continued and sustained impact on provision of PE and sport within our academy. Participation by students and staff in whole school audits has resulted in the development of After Schools Clubs and purchase of equipment to enhance delivery of lessons. Thorough auditing and</p>

monitoring has meant that the children have had a role in developing sport and therefore has contributed to increased participation.
