Dear Parents/Carers

Your Child's Human Papillomavirus (HPV) Vaccination is now due!

Recently Year 8 students came home with a leaflet containing information regarding the HPV vaccination from an assembly with the Immunisation Team on the HPV vaccination.

The vaccination is offered to all students in Year 8 and is part of the Childhood Immunisation Programme and consists of two doses given in school between 6 months and 24 months apart.

The Immunisation Team no longer send out paper consent forms to cut down on costs but require parents to complete the electronic consent forms for each child to receive their two doses of the HPV vaccination.

To access the consent form please use the link below:

www.nottinghamshireimmunisations.co.uk/Forms/HPV

You will need to enter the unique code for Serlby Park Academy - the code is **NG137141**

If you experience any problems or have any queries, please contact the Immunisation Team on 01777 863274.

If You Need More Information -
