RE: Doncaster/Bassetlaw Flood Victims Appeal

Dear Parent/Carer

You will all be aware of the floods affecting Doncaster at the moment, you may even be affected yourselves. Regardless, I feel sure that we have all been touched in some way by the news that so many have lost their homes and possessions.

Numerous Delta academies staff, in the worst hit areas have responded robustly to the needs of the victims, and have been relentlessly working with local businesses to provide for their students and the community as a whole.

I have received a number enquiries from our Serlby Park community, so am aware that so many of you would like to contribute in some way towards this cause, with the same selfless spirit that you always show when others are in need. Therefore, we would like to offer the facility of being a 'Drop Off' point for parents, carers, family or friends, to drop off supplies for us to distribute to the victims on your behalf.

A list of things that our local academies tell us are in urgent short supply are:

- Mops and mop buckets
- Cleaning products / cloths/heavy duty bin bags
- Gloves
- Toiletries / hygiene products
- Baby products (Eg: nappies, wipes)
- New underwear/tights etc
- Clean warm clothing / bedding
- 'Instant' food

Please bring your contributions to the main reception. Could I ask that, for safety reasons, cleaning products and/or toiletries are brought in by adults only please.

Thanks to you all in anticipation of your support.

Yours faithfully
