

Dear Parents and Carers,

I am writing to introduce myself as the new Principal of Serlby Park Academy. I am delighted to join the team at Serlby Park and I look forward to getting to know you all and to working with you in the future. Mr Hodgson has also joined the staff team as an Associate Vice Principal. So we can get to meet as many parents as possible, we would like to invite you to an open evening on 23rd March from 2.30 until 6pm. The open evening will be held in the main cafeteria area so please enter school through the main reception. Refreshments will be served and all senior leaders will be in attendance so please call in to see us.

The evening will be a drop in session so you are not required to book in at a specific time however, if you require a confidential meeting please contact the main office to book an appointment.

Thank you for taking the time to read this letter and I look forward to meeting you soon.

Kind regards,

Miss P Robinson
Principal
Serlby Park Academy
