**Covid-19 and school attendance**

We are continually following the government guidance on Covid-19 and we recognise that this is a challenging time for pupils and parents. Please see the latest information from Public Health England in the box below.

**Primary Collection Times**

Every week we are reviewing and improving our school risk assessment. To ensure we remain as safe as possible we are making a small change to the primary children collection times. To ensure our secondary pupils have enough time to leave the school site, primary collection times are moving back slightly.

Please see the table below for the new times and continue to collect your children at the earliest allocated time for your family. Thank you for your support to ensure our collections and drop off remains as safe as possible.

Year group	Arrival time	New Exit times
AM Nursery	8.30	11.15 - 11.30
PM Nursery	12.00	2.50 - 3.00
All day		2.50 - 3.00

### Covid-19 Guidance from Public Health England

To book a test online <https://www.gov.uk/get-coronavirus-test> or over the telephone through 119

To ensure we identify those with coronavirus while avoiding a huge increase in demand for tests from people without coronavirus symptoms, we ask that you recommend to your pupils, students and staff who feel unwell, that they get tested if:

- they develop one or more of the main coronavirus symptoms:
- a high temperature
- a new, continuous cough
- the loss or change of their sense of taste or smell, or they are recommended to get tested by a healthcare provider (e.g. GP or nurse)

If a pupil, student or staff member develops one or more of the main coronavirus symptoms described above, only they should be tested. There is no need for their households to have a test, unless they are also symptomatic. Unless a pupil, student or staff member has one of the three main coronavirus symptoms, they should only be tested if instructed otherwise by the local authority, health protection team or their GP. As schools and colleges across England return, pupils and students may feel unwell for example with a sore throat, stomach upset or a headache. These pupils and students don't need to book a test but may need to stay off school or college and seek medical advice through their GP or pharmacist as usual.

### Holidays in Term Time

The Department for Education has announced important amendments to legislation surrounding holiday in term time. Headteachers may not grant any leave of absence during term time unless there are exceptional circumstances and gives no entitlement to parents to take their child on holiday during term time. Headteachers must be satisfied that the circumstances are exceptional and warrant the granting of leave. Low cost travel or arrangements made by a family member or friends are not deemed to be exceptional circumstances. The headteacher will determine the number of school days a child can be away from school, if the leave is granted in accordance with arrangements made by the schools governing body.

**The Local Authority can fine parents for failing to ensure their child attends school**
