

## SEN Link to Local Offer

Local authorities and other services will set out a local offer of all services available to support children who are disabled or who have SEN and their families. The local offer will enable families to understand what services they can access and what support they can expect from a range of local agencies, including from the local authority, health services, schools, leisure services and the voluntary sector. The offer will include provision from birth to 25, across education, health and social care.

All Nottinghamshire schools have a similar approach to meeting the needs of pupils with Special Educational Needs and/or Disabilities and are supported by the Local Authority to ensure that all pupils, regardless of their specific needs, make the best possible progress in school. All schools are supported to be as inclusive as possible, with the needs of pupils with Special Educational Needs and/or Disabilities being met in a mainstream setting wherever possible, where families want this to happen.
