Science

Creative  
iMedia

Design and  
Technology

**We will try our best to accommodate all of your choices however we cannot guarantee that it will work for everybody.**

**If you hand in your options form late then you will be at a disadvantage.**

**Do my choices  
create a balanced  
timetable?**

**What am I  
interested in?**

**Options**

**What subjects  
do I enjoy?**

**What do I need for  
the career I am  
interested in?**

**Are they going to  
support my future  
education choices?**

# The do's and don'ts!

**Don't** choose a subject because you think it's easy.

Do's

Don'ts

**Do** choose a subject because you enjoy it and believe you can succeed at it.

**Don't** choose a subject because of a teacher.

**Do** research the subject, use your options booklet, and speak to teachers.

**Don't** choose something because your friends are.

## **The rest of Y9...**

**You don't give up because you haven't chosen a subject as an option.**

**Our curriculum is designed so that you are gaining skills throughout the whole year that will support you in all of your future options.**
